

Foreign Trade Zones

Currently Yuma International is located in a Federal Trade Zone #219 as well as acres of adjacent land; subzones are also located in the city which are privileged to the same exemptions.

Benefits

- **The area is treated as though legally outside of the U.S. Custom's territory.**
- **Relief from inverted tariffs**
- **Merchandise may be brought in duty-free for purposes such as storage, repacking, display, assembly or manufacturing.**
- **Imports may be landed and stored quickly without full customs formalities.**
- **In addition, Arizona is the only state that has enacted special legislation that makes:**
- **Businesses located in a zone, or sub-zone, eligible for an 80 percent reduction in state real and personal property taxes.**
